The efforts to come at par with the upcoming trends in the educational setup, KR Mangalam World School, Vaishali organized its maiden edition of KRMUN, Vaishali from 15<sup>th</sup> to 17<sup>th</sup> November to educate the students about public speaking, diplomacy, problem-solving, persuasive writing, teamwork and make them well aware of the global issues. The opening ceremony was graced by the presence of the Guest of Honor, Dr. Punpreet Singh, the founder of Helping Hand Trust working diligently for the growth of Women in the society. The conference was open to the students from classes 6<sup>th</sup> to 12<sup>th</sup>, keeping a balance between the experienced and the learning sections. The Unique point of the event was the First Timers Committee so as to provide the equal platform of competition as well as learning to the keen to-be MUNers. With the participation of over 150 delegates in five committees along with International Press, it was a successful event with the presence and support of the experienced and dedicated executive board. It was indeed a learning experience for the delegates and with the number of awards they got, it turned out to be motivational as well.
