

GANESH CHATURTHI – PRIMARY

वक्रतुण्ड महाकाय सूर्यकोटि समप्रभ ।

निर्विघ्नं कुरु मे देव सर्वकार्येषु सर्वदा ॥

Ganesh Chaturthi is a festival celebrated with pomp and gaiety across India. It is important to remember, that Lokmanya Tilak was the architect of this mass celebration. It was his effort to foster the spirit of nationalism by bringing communities together on the occasion of the Ganesh festival during the struggle for independence. At KR Mangalam World School, Vikaspuri, the students of primary wing were involved in several activities weaved around this auspicious festival. The legend of Lord Ganesha was narrated, with animation, to the children of class 3 as a classroom activity. They thoroughly enjoyed the story. The students of class 4 made the bookmarks – with Ganesha face using origami sheet. They also made eco-friendly Ganesha using clay-as a part of their Hindi activity. The activities not only sensitize them towards the environment but also to enable them to gain insight into our Indian culture.
