Dear Rishyb,

Congratulations on being selected for the Fall 2016 Dean's List. You should feel extremely proud of your academic achievements. Penn State is one of the nation's premier academic institutions, and being named to the Dean's List this past semester places you in a very select group of individuals.

I encourage you to continue to maintain this outstanding level of accomplishment throughout your academic career. Strong academic performance will facilitate your ability to gain acceptance into graduate school or to become employed in your chosen profession or a related field. Again, congratulations on a great academic semester.

Sincerely,

Lori J. Bechtel-Wherry, Ph.D.
