Circular No. : KRMGK-II/19-20/154

"In mathematics, the art of proposing a question must be held of higher value than solving it."

Dear Parent,

This is to inform you all that we will be celebrating the **Mathematics week** in the school for all classes from **Nov 13, 2019 till Nov 15, 2019**.

The students of **Class V** will be doing an activity based on the **Concept- Perimeter** wherein they will be calculating the perimeter of the two shapes provided to them by the school. The students will be required to trace the given shapes on the sheet and calculate its perimeter. This is an **activity** to further strengthen the concept of Perimeter.

Important: This activity will be marked out of 10 marks for **Internal Assessment**.

The students must carry the following from home-

1. Any 2 of the following sheets- square lined papers/graph papers/square centimetre sheets.
2. A Small ruler.
3. A black sketch pen (for outlining the figures)

Regards

K.R. Mangalam World School, GK-II
