Dear Parent

At K.R.Mangalam World School, it is our constant endeavour to initiate students into a plethora of activities and keep them abreast of emerging trends through special assemblies, exhibitions and class presentations.

Project Based Learning is an integral part of the school co-curricular activity. This initiative has helped the students comprehend the significance and application of what they learn in school in a fun filled way. In culmination to the **Project Based Learning (Water the Driving Force of Nature)**, the students of Class III are going to showcase and exhibit their learning through an exhibition.

Learning accrued in this manner is long lasting and leaves an indelible imprint on young impressionable minds. This will also provide them with opportunities to showcase their innate talent. Brimming with excitement our budding enthusiasts will showcase an exhibition on **Friday, January 24, 2020 at 12:00 noon** in the **Multi-Purpose Hall**.

You are requested to arrange the costume of your ward for the upcoming exhibition as already discussed/informed to you by the teacher incharge.

Note:

- Kindly send your ward in full costume (**NO** make-up) from home on the day of program.
- Students to report to school as per the normal school timings and will go back with their parents after the exhibition is over.
