

**K.R. MANGALAM WORLD SCHOOL, GK-II**  
**PARENTS' CIRCULAR**  
**Classes Nursery**

Date: March 27, 2020

Circular No: KRMGK-II/20-21/008

Dear parent

We welcome you to K.R. Mangalam World School, G.K. II. It's a school where we can dance and sing each day, while we learn, laugh and play. It's a school with a space to move around on a green and grassy ground. Our aim is to provide a happy, healthy, safe and caring environment for all our children and to develop through play and education.

K.R. Mangalam commences its journey of education with the firm belief that education for children today should begin on a higher plain than before. It is our goal to make our students autonomous learners and let each and every child develop their own cognitive, physical, emotional and spiritual self.

During this difficult time, the whole world is facing a tough challenge due to the spread of COVID 19, we hope that all of you are safe and taking good care of yourself and your families. As mentioned in our previous mail, the school is going to organize a physical Orientation Program for the parents of Nursery students as and when the school re-opens. To keep our little ones occupied at home and at the same time feel connected with the school and their teachers, the school is going to start online classes for them very soon.

The school would also like to share a Power Point Presentation which will give you an insight into the school vision of learning for our children.

We will very soon share with you KRM app username and password for further facilitate children learning.

Kindly acknowledge and feel free to revert to the concerned class teachers through an

E mail for any further query.  
We look forward to your co-operation!

Regards  
Dr. Sangeeta Arora  
(Principal)
