Dear Parent

We welcome you to our K.R. Mangalam Family with lots of happiness and smiles. Our main goal is to provide a healthy, happy and caring environment for all the students. During this difficult time that we are facing due to spread of COVID-19, we hope you and your families are safe and secure in your homes.

The school will conduct Enrichment Online classes from **Friday, April 03, 2020** to introduce the class teachers and to connect with our little learners.

The **zoom cloud meeting app** is available on Play store as well as on Apple store.

(Refer to the attachment below to download and access the zoom app)

In regard to this we would like to draw your attention to the following:

- * Please check your KRM app regularly for updates, schedule and messages.
- * Parents should register with their Ward's name on the zoom cloud meeting app as it would help the class teacher to connect more easily with them.
- * The teacher will be sharing a URL on the e- mail before the scheduled time for the class and the parents have to click on the URL link to join the class/meeting.
- * Make sure that you and your ward join the meeting to make the child more comfortable with the new teachers.

Kindly find attached the schedule for the week.

We look forward to your suggestions and feedback to make this experience enriching.

Warm Regards
Dr. Sangeeta Arora
(Principal)
