Welcome Mail – KG to VIII 2020-21

Dear Parent

“All journeys must come to an end, but every end marks the onset of a new beginning.”

At the onset, we would like to congratulate you and your ward for having achieved another milestone and being promoted to the next Class for the session 2020-21.

Another bountiful year has come to a close, and it makes one feel good to remember the mirthful happenings of the year gone by and hope for the same in the ensuing new session. The indomitable spirit of KRM prevails to provide quality education to its students in spite of the unprecedented public health emergency situation across the globe.

In this context, on behalf of the entire school management and teacher community, we are pleased to bring to your notice that the school will initiate online classes for the students from April 7, 2020 for the new session in order to give them semblance of a new normal school life which will be virtual . Information of the day's schedule will be sent through KRM App & E- mail well in advance.

Kindly find below the details of the Class Representative, Class teachers and the names of Activity Teachers for your ward.

Your cooperation in this regard will be highly appreciated. Please be assured that the school will continue to take all measures from time to time in the best interest of the students.
