PARENTS' CIRCULAR
Classes IV to IX

Date: April 06, 2020

Circular No: KRMGK-II/20-21/024

Dear Parent

As you are aware the outbreak of corona virus disease (COVID-19) has been declared as a Public Health Emergency and the virus has now spread to many parts of the country. While COVID-19 continues to spread, it is important we all must take action to prevent further transmission, reduce the impacts of the outbreak and support control measures. The protection of children is particularly important.

According to UNICEF, " ...children and young people are global citizens, powerful agents of change and the next generation of caregivers, scientists, and doctors. Any crisis presents the opportunity to help them learn, cultivate compassion and increase resilience while building a safer and more caring community." Now it becomes our duty to keep our students occupied productively. We know that the school and parents are together in this endeavour.

The School will be conducting online classes where every student is required to join in. Kindly follow the given steps and ensure your presence from **10:00 am to 12.40 pm** on all working days. The time table has also been shared with you on your KRM app and attached here with.

Instructions:

1. Download the app ZOOM CLOUD MEETING
2. Make an account
3. The Class teacher will post a link on the Email 30 minutes before the session
4. Click on the link to start the class
5. The camera and microphone will be muted by the teacher during the class
6. Keep your downloaded chapters of the book/old copies or sheets/pen/ pencil handy to write notes.
7. If any doubt arises, write on the chat option and your doubt will be cleared.

Expectations from the Parents:

- The school is aware that all family members need internet enabled devices as professional work and classes need to be managed simultaneously. We request you to please work the schedules around in such a way that students get enough time to be online for classes.

- Please ensure that your device (phone/tablet/Laptop) charged for the duration.
- Please monitor and supervise the children so that they keep pace with the work being done in different subjects. During the first interactive session on April 7, 2020 with the Class Teacher at 09:30 am, we would like you to be there with the students to help them understand the procedure and also maintain discipline.
- Any information regarding the Online classes will be shared by 07:00 pm one day prior to the class. Shared Textbook chapters are required to be downloaded prior to the class.

Expectations from the students:

- Though the school is not functioning physically, students are expected to take the Online Classes very seriously. Each day's allotted work must be completed on that day itself. A subject wise folder to be maintained, if the work is done on loose sheets.
- No interaction among the students will be allowed during the Online Classes, except with the Teacher. Any interaction with the teacher during the class can be through Chat option.
- School expects the students to utilise this time judiciously, expand their knowledge base by watching good documentaries, read books, follow some routine of physical exercise, eat right and stay fit.
- Students are expected to keep the download books / Chapters ready before the commencing of the class.
