Dear Parent

In the flight to flatten the curve of corona virus, the school will conduct online Enrichment classes from April 07, 2020 onwards where the students will interface with their teacher. The zoom cloud meeting app is available on Play store as well as on Apple store. (Refer to the attachment below to download and access the zoom app) In regard to this we would like to draw your attention to the following:

- Please check your KRM app regularly for updates, schedule and messages.
- Parents should register with their Ward's name on the zoom cloud meeting app as it would help the class teacher to connect more easily with them.
- The teacher will be sharing a URL on the e- mail before the scheduled time for the class and the parents have to click on the URL link to join the class/meeting.
- Kindly keep a notebook, pencil and a eraser handy with your ward during the sessions.
- Worksheets will be uploaded on regular basis. Printout of the same can be taken or it be noted down in the notebook. The uploaded worksheet will be discussed with the students next day during the session. Kindly find attached the schedule for the week. We look forward to your suggestions and feedback to make this experience enriching.

Warm Regards

Dr. Sangeeta Arora

(Principal)
