Dear Parent

Covid-19 pandemic has been tough on almost everybody globally. Most of the world has come to a standstill and the confines of education have now grown virtually.

School visits and field trips to museums and science centres are considered a powerful learning resource given their recreational and educational potential. In pursuit of the same, K.R. Mangalam World School, G.K. II is offering the links for virtual excursion of various museums as the same cannot be done physically.

Regards

Principal
