TCS iON Intelligem (Gems of Tomorrow)

Dear Parent,

It gives us immense pleasure to invite students to participate in the Third Edition of 'Intelligem', the biggest National Level Contest on 21st Century Skills, organized by Tata Consultancy Services. The contest aims at giving the participants a platform to explore the increasingly important 21st century competencies.

Details of the Competition are as follows:

What is the Intelligem about?

TCS iON IntelliGem is a national-level contest on 21st Century Skills for the students of **Grades 5 to 9**. These skills are:

✚ Universal Values

Developing the skill to understand and appreciate the feelings, experiences and ideas of others.

✚ Global Citizenship

Recognising the fact that all human beings, no matter where they live or which nation they are citizens of, inhabit the same world.

✚ Communication Skills

The ability to convey ideas effectively and convincingly to one or more people.

✚ Creativity & Innovation

The ability to observe problems and then create solutions. It is also the skill of being able to produce new and unique ideas.

✚ Financial Literacy

Being able to manage, despite all its complexity, financial matters at a personal and community level.

Eligibility Criteria:

- **Junior Category: Classes 5 & 6**
- **Senior Category: Classes 7, 8, 9**

How to Participate?

- Students visit intelligem.tcsion.com to register for themselves by using the unique School ID.
- At the time of registering, please ensure that the Participant Name, Grade, School ID, School Name are correct. These will be printed on the digital certificates. TCS shall not entertain any requests for correction or change in any details at any time later.
- **The last date for participant registrations for the contest is October 15, 2020.**
- Students can select one or more of the five topics they want to compete in and pay.
- Upon successful completion of payment, a confirmation email will be sent to the registered student mail ID.
- Upon successful login, the student will receive essential learning materials for the contest.

Event Format:

Stage 1: Qualifying Round: November, 2020

- A) Students will have to mandatorily appear for two online assessments.
- B) Based on their performance in these assessments, students will be selected for the Pre-Finals.

Stage 2: Pre-Finals: December, 2020

- In this round, a panel of experts will evaluate a students' skill demonstration/ performance across their topic(s) in an audio-visual, activity-based interview.

Stage 3: Grand Finale: January, 2021

- In this round, students will be evaluated by a Jury in a face-to-face, activity-based contest.
- For every topic, the top performer will be chosen as the Winner of TCS iON IntelliGem 2020-21 across two categories.
- **Registered students will receive communication regarding these stages during the contest.**
- Based on student's performance in the contest, a personalised report with IntelliGem Quotient™ and a Certificate is generated for each participant.

Note:

For obtaining the Unique School ID, please contact your respective Class Reps within the stipulated time frame.

Warm Regards

Principal
