Dear Parent

Greetings!

The essence of education is to help students discover their uniqueness, teach them how to develop it and show them how to enhance their potentials. Counselling always helps when it comes to making a choice between where one aspires to be and where one should be. K. R. Mangalam World School, G.K-II has always emphasized on its priority to help transform the lives of students and achieve success by guiding them on the right career path.

In pursuit of the same, a **Stream Selection Webinar** is being organized by **PRATHAM** for the students of **Classes IX and X on Monday, October 19, 2020, at 1: 15 pm**. The aim of the webinar is to help students choose the right stream and pursue it at the higher secondary level. The stream selected would in turn tune with their skills and help them perform their best.

We would request you attend the webinar **by registering your ward by Sunday, October 18, 2020**, using the following link.
