Dear Parent

Keeping in view the current COVID-19 situation, there are very few chances of reopening of schools amid this pandemic. As Assessments are an integral part of a student's learning curve, the school needs to gauge the understanding of the concepts by the students taught during the classes. We have conducted the First Term Examinations of students for class XII and Periodic Assessment of Class X which have been diagnostic in nature and have helped the teachers to revisit the concepts/topics where they felt that the students were facing difficulty and need help.

We have completed a substantial part of the syllabus in classes X & XII and we feel a need to assess the students' understanding of the concepts taught in a more comprehensive manner. Therefore, we plan to conduct mock assessment starting from November 23, 2020 till November 29, 2020. The nature of the exam will be purely objective for 80 marks. Class X will have the Periodic Assessment II syllabus to be tested and Class XII will have 80% of the entire syllabus to be tested (details will be shared shortly). Parents are requested to supervise and monitor their wards to attempt the papers with integrity, honesty and sincerity.

Looking forward to your cooperation always.
