Dear Parent

It has been rightly said, “Opportunities don’t happen, we need to create them”. Strong academic foundation goes a long way to help students set their goals, face challenges and achieve success. For this, choosing a career is one of the most important decision students have to make. With universities and colleges offering a wide variety of courses, it becomes very confusing to choose a stream that will lead them to their dream career. K. R. Mangalam World School, G.K-II has always emphasized on its priority to guide the students on the right career path and help them achieve success.`

In pursuit of the same, the school is organizing a **Stream Selection Webinar for Class X students, on Monday, December 28, 2020 at 1:30 pm**. The Webinar would be conducted by Mr. Alok Bansal, Education and Career Counselling expert. The aim of the Webinar is to get an insight into various career options and how to make the right choice, focusing on interest, aptitude and long-term goals.

We would request you attend the webinar **by registering your ward**, using the following link.
