Dear Parent

*"FOR MILLIONS OF YEARS, MANKIND LIVED JUST LIKE THE ANIMALS. THEN SOMETHING HAPPENED WHICH UNLEASHED THE POWER OF OUR IMAGINATION. WE LEARNED TO TALK AND WE LEARNED TO LISTEN." - STEPHEN HAWKING*

Language learning was once considered nothing more than a hobby, but as the world continues to become increasingly connected, learning a language other than English is considered a necessity. Advancing technologies have afforded us the ability to communicate no matter where we are in the world, amplifying the importance of foreign language study.

Language sets us in a corridor for life. Being bilingual, expands our opportunities in life, keeps our brain fit and broadens our perspective. Every new word is a milestone on our journey to mastering other language. By instilling a reverence for foreign language at a young age, parents put their children miles ahead of their future competitors.

Learning to communicate fluently in multiple languages provides additional job security and advancement opportunities in uncertain economic times.

Keeping that in mind, we invite you for a **Motivational Session** for the selection of II language for your ward in Class IX for the session 2021-22.

**Day & Time: Saturday, January 9, 2021 at 10 a.m.**

**Platform: MS Teams**
