Dear Parent

The art of writing is a way of expressing what one believes in. TCS, a division of Tata Consultancy services is organizing the Tata Building India School Essay Competition. It is one of the key initiatives undertaken by the Tata group to motivate the youth of India and instill the value of nation building. The competition is organized for the students of classes **VI to XII- Junior Category (VI-VIII) and Senior Category (IX-XII)**.

The competition will be conducted digitally in two phases. In the first phase the students will be exposed to inspirational Tata linked films, to stimulate young minds. This activity will be followed by students attempting a simple quiz based on the videos watched and then writing an essay on the given topic of national significance. The theme for the Essay Writing Competition is '**Clean and Healthy India**'. The aim is to provide the students a unique platform to encourage young leaders to showcase their expression in writing.

We would request you to help your ward to take part in the Essay Writing Competition.
