Date – February 6, 2021

Circular no.- KRMGK-II/2020-21/258

We at K.R. Mangalam World School believe in looking ahead and marching on. Our Chairman Mr. Yash Dev Gupta is a dynamic leader with a profound vision of providing the best system of education. Despite the limitations caused by the Pandemic COVID 19, we have successfully run online classes and examinations for our students. However, we feel that the students should get a classroom environment in school in order to abridge the learning gap if there is any. As a school, we understand that you may have concerns and questions regarding the safety and security of the children amidst the pandemic and therefore, to answer all your concerns we go a step further to interact with you and strengthen our channels of communication.

An **ONLINE PARENT ORIENTATION SESSION** for sections of class XI has been scheduled on **February 7, 2021 at 10:30 am** to discuss your concerns and help our students perform well keeping in mind your valuable responses collected via the online survey.
