Circular No.- KRMGK-II/20-21/251

As per the circular issued by the Directorate of Education, Government of NCT of Delhi on January 13, 2021, (no DE/5/4/Exam/2019-20/39-46) , schools affiliated to CBSE may call the students of classes X and XII for Practical/ Project/ Internal Assessment/ Doubt Clearing and conducting Pre Boards by keeping all precautionary measures in place. In compliance of the same, our school has been holding offline classes since January 21, 2021. These classes are acting as a platform to recover the academic loss due to disruption of physical classes due to the pandemic Covid19.

However, it is disheartening to see the dismal attendance of the students for taking offline classes. We would like to apprise you with the fact that the students who have been attending offline classes since January 21, 2020, are enthusiastically learning the concepts and have given a positive feedback about the teaching learning happening in school.

We are sharing a google link to understand your concern for not sending your ward to school and would like to address the same as these offline classes would surely help your ward get better results in Boards. You are therefore requested to kindly send your ward to school for doubt clearing/practical.
