

KRM- A name to reckon!!!!

‘Excellence is not a skill, it is an attitude’, said Ralph Marston, and truly so.

It is a proud moment for K.R. Mangalam World School G.K-II which has once again been ranked as the number 1 school in India by the Education World Grand Jury India School Rankings in association with C fore, which is a prestigious organisation in the world of schooling excellence. Not only that, but also the school has been declared as the number 1 school in Delhi/NCR and the number 1 Library and Reading Culture school.

Education World is a name to reckon with in the arena of quality and excellence. Sifting the best was not an easy task. A mammoth team of 118 C fore field researches had to interview more than 11,458 educationists, principals, teachers, SECA (socio-economic category A) parents and senior school students — in 28 cities countrywide to compile the EWISR 2021-22 report. This herculean task was completed within a period of four months (June-September). The annual EWISR is the world’s largest schools ranking survey.

Under the able patronage and umbrella of the Director Principal Dr. Jyoti Gupta, and her never-ending spirit and guidance, excellence has become a habit with KRM.
