Let's all go out to play

or have at home mummy's specially made, lemonade...

Summer break is a welcome break. A break from fixed routines, rules and regulations of the school. We get freedom to do things and freedom brings more responsibility. we have planned our activities keeping this in mind!! Please guide your child in exploring his/her creativity, completing his/her homework, which would further help them in channelizing their energy in a productive and positive manner.

Let's make our children independent:

Teach your child the following to make them independent.

- * Watering the plants.
- * Helping mother in cleaning the home.
- * Arranging their room and toy shelf.
- * Laying table mats.
- * Learning how to wear shoes and socks.
- * Going to the garden with their friends.
- * Remember to converse in English while spending quality time.

As father's day falls in the month of June here is an interesting activity which you can enjoy with your children:

Spend an entire day with your children. Tell them the stories related to you and your father (child's grandfather).

Make a simple yet special card for the child's grandfather and then request the child to make something special for you, anything they can using colors.
