

Class Assembly Pre-primary Mars

**"Clean, Happy and Healthy citizen imparts
healthy and developed nation."**

On 6 August 2016 class Pre-primary Mars presented an assembly on 'Swachh Bharat Abhiyan'. Swachh Bharat Abhiyan is a clean India drive run by the government to make India a clean India. As the entire class presented the special assembly on this topic, they reiterated the fact that cleanliness is a habit that leads us towards goodness in every walk of life by keeping our ourselves and our environment clean

The main objective in conducting such an assembly was to instill the importance of cleanliness in our daily life and now children can integrate the same in their everyday life. The assembly started with a welcome dance followed by an eye opening skit, a melodious song and again a mesmerizing dance at the end.

All the performances were appreciated. The students along with the audience took a pledge to keep the surrounding and country clean.
