

LET'S ENJOY THE SNOWFLAKES

AND

WELCOME THE WINTER WITH THE SHINING FACES

Winter carnival, Christmas celebration and the New year round the corner, festivity is in the air. To celebrate the warmth of the winter sun and to bring joy among little Mangalites about their participation and achievements in 2018 , Winter Fiesta was organized on 28th December 2018 at K.R. Mangalam World School , Paschim Vihar with endless fun and thrill .

The whole school was decked up according to the theme: colourful balls, candies and balloons etc. Kids came in party dresses and were excited to take part in all the activities and games planned for this special event. The school ground buzzed with various games where fun and pleasure completely took over everything. Different games stalls were put up to fantasize all like Dress The Snowman, Hit The Bottle, Ring Your Luck etc.

Our little ones also took part in the statue game. Children were also attracted by the Selfie corner and Tattoo Making Activities. Magic Show was also one the main attraction of the Winter Fiesta. The magician performed lots of breath taking tricks which entertained everyone present there.

Our tiny tots enjoyed every bit of this festivity, taking away from it the precious value of love and sharing.
