

Any form of play forms an integral part of a child's routine, be it indoors with dolls and blocks or outdoors with balls, nets and track. However, some form of play may not be a routine but generates thrill and excitement among children of all age groups, and these are '**LEADERSHIP CAMP**'. Leadership Camp are not only for fun but also help to inculcate several skills in children like enhancing gross and fine motor coordination, team spirit, risk taking and collaboration.

Young Students at **K.R. Mangalam WorldSchool, Vaishali** were provided with one such exposure during a day Adventure Camp in the school.. The participants were exposed to various adventure activities like – Burma Bridge, Tug of war , Commando Crawl, Hop Scotch, Commando Net, Wall Climbing, Tent Pitching and other energizing games. These activities helped to strengthen teamwork and personal accomplishment. This Camp helped to develop basic athletic skills such as balancing and coordination, pathway and direction in every child. The amount of energy and enthusiasm exhibited by students was enthralling. Overall it was a joyful and enriching experience.
