## Report On Mass Activity

Month: April

Date: 8<sup>th</sup> April 2016

Theme: Tattoo Making

The new session started with lot of fervor, eagerness and the zest to learn new things. The students showed a lot of interest and gusto for the mass activity which was Tattoo Making. The students of class II, III, IV and V were given colored sheets and were shown some samples of Tattoo art on paper, which they painted on their sheets. It was a treat to watch the tiny hands making and colouring the tattoos on their own so beautifully on the paper. The usage of the right colour combination was phenomenal. Overall, the first mass activity of the new session was a success.
