

India Internet Day 2016- 29 April 2016

K. R. Mangalam Vikaspuri celebrates India Internet Day...

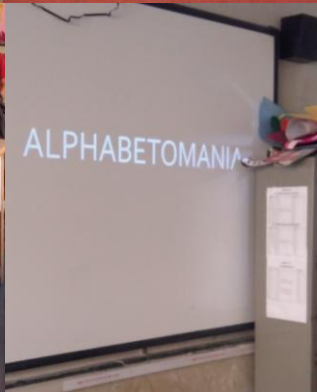

Play your part for a better Internet!!

It is the most influential event in the internet industry in India. The objective of the India Internet Day 2016 is to look at the long term horizon and paradigm shifts in the internet industry globally. This day is an endeavour to make the cyber space a positive and creative tool for each 'Netizen'.

The following activities were carried out with full enthusiasm during this event:

1. Netcounsel – Student & Parent Counselling
2. Internet Quiz
3. Poster Genius
4. Tech glance
5. Hi-tech costumes
6. Internet Alphabetomania
7. Internet Survey
8. Netsmartz- Internet Safety presentation

- A techno quiz was conducted for the primary wing.
- A poster making activity was conducted for the senior wing on "Safe and Smart Internet".
- A small presentation showcasing the glimpse of Internet Technology and Internet safety was put up in the foyer area.
- A fancy dress activity was conducted on the same theme for the primary wing.
- A survey was conducted on usage of internet for the middle wing.
- Our students of classes X and XI counsel the students of VI- VIII for the safe usage of social media.

COUNSELLING SESSION
