Report On Weekly Activity

Month: October

Date: 25 October' 2016

Theme: Halloween Day Celebration

Halloween is a popular festival celebrated on the last day of October to remember the dead and saints. It has a special significance for children, who dress in funny or ghostly costumes and knock on neighbourhood doors shouting "Trick or Treat!" Keeping the spirits of Halloween, students of KRM celebrated the festival of ghosts by taking part in various competitions. Class II and III participated in Halloween mask making competition. Students of class IV and V were dressed up as many of the famous Halloween characters since it was a fancy dress competition on the theme of Halloween. It was fun to watch them trying to scare us. Overall these activities were a mix of creativity and drama skills of the students. The enthusiasm and the excitement of the students added to the Halloween vehemence.
