

# Orientation programme -2022-23

## Grade I & Grade IV

*Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.*

Keeping this belief in mind, K.R. Mangalam World School, Vikaspuri organised an offline Orientation programme for the parents of grade I on 22 March 2022 and grade IV on 23 March 2022, to acquaint them with the academic framework, assessment pattern and co- curricular activities.

The primary coordinator, Ms. Ranjana Popli formally welcomed the parents. The honourable Principal, Ms. Priya Arora, while applauding the efforts put in by the teachers, introduced teachers of the current session and teachers of the coming session. The Principal addressed the gathering and extended her felicitations to all students, parents and teachers. She laid stress on the effective communication between teachers and parents. She also apprised the parents about the new initiatives taken up by the school.

The parents were briefed about the guidelines to be followed during the upcoming academic session by the Class Representative. Parents were also acquainted about the Assessment pattern in detail. The teachers also apprised the parents of various ways and techniques to enhance the academic performance of the students. The parents were given a glimpse of co scholastic activities like music, dance, art organized to nurture the talent of young Mangalites. Parents and students shared the experience of online learning. Parents were highly appreciative of the efforts put in by the school.

The programme concluded with a session wherein the parents interacted with the respective class teachers. The orientation programme was a sincere initiative made by the school.
